

The Holiday Honor Card

Something as simple as a holiday card can change a person's life.

Your purchase of a Holiday Honor Card will help Fayetteville Urban Ministry fill the needs of those less fortunate in our community by providing food and clothing, teaching adults to read, making emergency home repairs, and mentoring our troubled youth.

All proceeds from the sale of the Holiday Honor Cards will directly benefit the Fayetteville Urban Ministry.

With the creation of this year's card, 'First Light,' artist William Mangum celebrates 20 rewarding years of donating his artistic gifts to the Honor Card Program.
